## CREATIVE EXPERIENCE

**Squarewave, LLC;** Watertown, MA; September 2009 – Present

*Senior Multimedia Developer*

- Manage and execute digital media campaigns in collaboration with colleagues, many with exceedingly tight timelines requiring innovative approaches, flexibility and agility.
- Develop, animate, and design digital media and marketing, including banner ads, social media videos, email campaigns and other front-end multimedia for global and local ad agencies and Fortune 100 companies.
- Propose creative solutions to meet client needs, both artistically and logistically, within prescribed delivery specifications to generate increased revenue, brand recognition and other marketing and promotional initiatives.
- Initiate and develop creative cost and time saving techniques for use in future projects.

**Ichamp;** Boston, MA; November 2012 – July 2014

*Consultant - Contractor*

- Responsible for advising, designing and developing the visual identity of [www.ichamp.io](http://www.ichamp.io), an athletic coaching startup that ultimately was unable to achieve funding.
- Designed front end architecture and UX/user experience in wire-frame.

**Berklee College of Music;** Boston, MA; March 2008 – August 2009

*Multimedia Developer/Designer - Contractor*

- Designed and developed 2D and 3D multimedia for film and web using Adobe Suite, 3D Studio Max, Lightwave3D, Final Cut Pro and Apple Motion.
- Created script based animations, including asset design and interactive components for Berklee's "Pulse" program: an online interactive music education program geared towards underprivileged teens: [pulse.berklee.edu](http://pulse.berklee.edu)

## PAST EXPERIENCE

**Attorney;** Connecticut, Massachusetts and Alabama; pre-March 2008

- Bar licensed in three states and one federal court: practicing tax planning, transactional law and courtroom litigation, requiring detail oriented problem solving, accountability and relationship management.

## EDUCATION

**Massachusetts College of Art and Design,** Boston, MA

Coursework in industrial/product design and computer programming

**University of Connecticut School of Law,** Hartford, CT

Juris Doctor

**Auburn University,** Auburn, AL

Bachelor of Arts, Criminal Justice, *Cum Laude*
